

The Bromfield School
VHS Registration Form 2019-20
www.govhs.org/catalog (for course catalog)

Because we only have a limited number of spots for VHS courses, they will go to students according to their year of graduation (seniors get first choice, juniors second, etc.). If there are spots remaining after the registration period they will be given on a first-come, first-served basis. We will establish a waiting list when necessary.

Students must fill out this form and return it to Mrs. Schmidt in the School Counseling office so that she can sign students up for their chosen courses when the enrollment period commences.

The first week of each VHS semester is considered to be the add/drop period. Students may add or drop a course within the first week. If you drop a course after the Drop period ends **you may be charged** for the course. Add/Drop deadlines are outlined on the VHS Calendar on the VHS faculty web site. After this period, students who withdraw will receive a W withdrawal. If a student drops a course, he/she may have to select another Bromfield School course. Weekly classes run from Wednesday to Tuesday. When we have vacations you are expected to do the weekly assignments.
