
BROMFIELD BULLETIN

Dear Bromfield Community:

The start of fourth term certainly signifies that the end of the 2018-19 school year is in sight. It seems like just yesterday that we welcomed students to Bromfield for the beginning of the year. Report cards and grades were published today. Please contact the main office if you cannot access your child's third term grades. As always, please contact your child's teacher if you have questions about progress. We also ask that you remember that vacation starts today for students and staff so a teacher may not reply until after vacation.

The highlight of the past two weeks for Seniors was certainly their stirring come from behind victory over the staff in the annual Staff-Senior Game. The game came down to the wire and Baylor Ashe's three point shot put the seniors ahead to stay. Most importantly, everyone had a great time and the money raised will go toward scholarships for members of the Class of 2019.

Music has taken center stage this week with two outstanding concerts. The middle school students performed on Tuesday while the high school sang and played on Thursday evening. The music at both concerts was outstanding and we thank Becky Armitage, Craig Robbins, and Nik Hunt for sharing their talent and passion with our students.

The Green Team recently purchased a new fountain and water filling station for the high school. The fountain is located opposite room 265 and is a wonderful addition. We thank both the Green Team and our maintenance personnel Jon Snyder and Dave Woodsum for installing the station so quickly.

Scheduling continued this week as counselors met with individual students to find the right mix of classes for each student. We urge you to contact your child's counselor if you have any questions or concerns.

As you know, today marks the start of Spring Vacation. When we return from break on Monday, April 22nd, construction will have started at HES. The construction of a new elementary school is very exciting but will bring parking challenges to the area. A letter about parking was sent to all of Bromfield this week. Please know that we are committed to making these next two years of construction go as smoothly as possible.

The schedule at Bromfield will be quite full after break as Spring hits full gear. Most of the Class of 2019 will present their service projects on Tuesday, May 7th. A video about these presentations will be available to view shortly and we urge seniors to look at this video for helpful hints. Additional information about the presentation and reflection paper was sent to seniors and their parents today. Finally, we would like to remind all seniors that the hours were supposed to be completed by April 8th. Any senior who has not completed their hours needs to see Mr. Hoffman.

The World Language Honor Society Induction will take place on Tuesday, April 23rd at 6:30pm in Volunteers Hall at the Harvard Public Library. Our high achieving French and Spanish students will be honored at that time.

The Middle School Drama Society will present "Snow Angel" on Wednesday, April 24th at 7:00pm in the Cronin Auditorium. We will also have a round of MCAS assessments on the 24th as our 6th, 7th, and 8th graders take the ELA test that morning. The second round of the ELA test for our middle schoolers will be on April 30th.

Students Against Destructive Decisions (SADD) will host a "Rave Dance on Friday, April 26th from 7 to 9pm. This dance is for students in grades 9 through 12 and is always a great time.

Finally, Bromfield Model UN will host the annual Lip Sync Contest on Friday, May 3rd at 7:00pm in Cronin Auditorium. This is always a wonderful event and rumor has it that the staff is planning another great performance.

Have a great weekend and an even better vacation!

Sincerely,

Scott Hoffman
Principal
