REMINDERS FOR PARENTS

1. Please be reminded that it is your responsibility to notify the school when your child is absent or late to school. Students upon returning to school must have a note with reason of absence or tardiness to submit to the Main Office. If your child is being dismissed from school, they are required to bring in a dismissal note and turn it in to their homeroom teacher or the Main Office. Thank you for your cooperation.
A number of students are under the assumption that they do not need a note for dismissal- that we will call you, however, according to the Student Handbook,

“If it is necessary for a student to be dismissed from classes prior to the end of the school day, the student must submit a note to their homeroom teacher or directly to the Main Office before homeroom signed by the parent/guardian requesting the dismissal which states the reason for and the time of dismissal. Students in grades six through eight will be dismissed only when the parent, guardian, or a person designated by the parent or guardian has signed the student out in the log kept in the school office. Students in grades nine through twelve must sign out in the Main Office upon early dismissal. Requests for other arrangements should be referred to the Principal’s office. The final decision on early dismissal rests with the Principal or Associate Principal. Failure by any student to adhere to the directions of school authorities will result in detention, suspension, or expulsion. Students will not be called by the Main Office to be dismissed from class. It is the responsibility of the student to report to the Main Office at their appropriate dismissal time.”

2. REMINDER for Students: The school day starts in homeroom promptly at 7:45 a.m. If you are late to homeroom 7:46 or later you are tardy and need to check in at the Main Office. Please plan your day accordingly. All students who are late must report to the main office. Thank you for your cooperation. Please consult the Student Handbook for the rules pertaining to attendance and tardiness.
Parents driving students to school should plan to drop off students no later than 7:30 a.m. to insure that students have time to prepare for the day and arrive at their homerooms on time.
3. Reminders: It is the responsibility of students to check the office for forgotten items or items that they have called home for. Items that are dropped off should be labeled and placed on the table in the Main Office.
Dismissals: It is also the responsibility of students to come to the Main Office if they are to be dismissed. Students should turn in dismissal notes to the Main Office. Please do not expect to be called. Calling classrooms interrupts class work for all students. Thank you for your cooperation
4. PARENTS: While we are aware that at times plans can change unexpectedly, there has been an increase in the volume of phone calls to the Main Office with messages for students ranging from after school plan changes to reminders for hairdressing appointments. The volume has increased to an unmanageable degree. Please make every effort to speak to your children about the day’s schedule the night before or in the morning before coming to school. Notes should be given to students with regard to early dismissals. As stated many times before, calling classrooms for students to come to the office for dismissals, shoes, projects, etc., disrupts classroom time for all students. A contingency plan for forgotten items, late pick-ups, canceled piano lessons etc. should be discussed with your children so that the unexpected changes will not lead to panic for you or your children. Thank you for your cooperation.
5. ALSO, on the subject of calling classrooms: A number of students are under the assumption that they do not need a note for dismissal and this is incorrect. The Student Handbook states:
“If it is necessary for a student to be dismissed from classes prior to the end of the school day, the student must submit a note to their homeroom teacher or directly to the Main Office before homeroom signed by the parent/guardian requesting the dismissal which states the reason for and the time of dismissal. Students in grades six through eight will be dismissed only when the parent, guardian, or a person designated by the parent or guardian has signed the student out in the log kept in the school office. Students in grades nine through twelve must sign out in the Main Office upon early dismissal. Requests for other arrangements should be referred to the Principal’s office. The final decision on early dismissal rests with the Principal or Associate Principal. Failure by any student to adhere to the directions of school authorities will result in detention, suspension, or expulsion. Students will not be called by the Main Office to be dismissed from class. It is the responsibility of the student to report to the Main Office at their appropriate dismissal time.”
6. Do you need a little extra help starting or completing your homework? Need a convenient place to meet for group assignments? Prefer to study and work on assignments with friends? Need a quiet place for peer tutoring?
Then stop by the Bromfield Homework Center, a convenient, well equipped staffed resource room available for students to use every Monday thru Thursday from 2:30 to 3:30 pm (12:15 to 1:15 pm on Early Release days).
